## PROFESSIONAL EXPERIENCE

### SUFTHERO IT Consulting and Services

Aug - Oct 2025

Web Developer Intern

- Assisted in the development and maintenance of web applications using HTML, CSS and JavaScript
- Collaborated with team members using Agile and Scrum methods to plan and complete projects
- Improved teamwork and communication skills through daily stand-ups and code reviews
- Gained hands-on experience with Front-End development, Git Version Control, and debugging
- Contributed to UI improvements and helped test responsive layouts across devices
- Developed a stronger understanding of software engineering practices and problem-solving in real project environments

## PROJECTS

**Project Title :** [Purply Grid Page](#)

**Technologies:** HTML, TailwindCSS, CSS Grid

Designed and built a clean, responsive layout using CSS grid and Tailwind CSS. Focused on a monochromatic Fuchsia Color Scheme. [GitHub code](#)

**Project Title :** [Personal Portfolio Project](#)

**Technologies:** HTML, CSS (Flexbox & Grid)

Developed a personal portfolio website, to present my background, skills, and projects. Combined Flexbox and Grid layouts for structured and adaptive page organization.
